What is ICYB?

...

ICYB stands for International Congress of Young Booksellers. It's the most inspiring congress ever for booksellers – especially young ones – for over 60 years!

The annual conference is held in a different country every year, and it gathers enthusiastic and dedicated young booksellers from many countries (young at age or just young at heart).

While the purpose of the Congress is to provide training in a specific issue, it also acts as a forum for young booksellers from a variety of backgrounds to share experiences of their trade and establish invaluable international contacts for both professional and personal development. Another function of the ICYB is to collect and disseminate material on training, exchange programs, and trade organisations.

ICYB is all about people!

...

Together we can make a difference in the book trade.

Partake, ask, question, comment, socialise, befriend, learn, teach, advance... and be passionate.

Come and join us at ICYB to become a good bookseller and even better!

In case you haven't yet joined our ICYB group on Facebook, now is the time to do so.

Hvem er Fagskolen for bokbransjen?

Fagskolen for Bokbransjen is a trade school for professional booksellers, not to mention a longstanding institution in the Norwegian booktrade. Our students and alumni are to be found in all parts of the business: publishers, booksellers, agencies and libraries alike.

The school will be hosting this Congress partly on school premises and in other cultural locations, just like the students do.

We are looking forward to meet you all!

Sincerely

Cecilie Brun Løwe

Principal of Fagskolen for Bokbransjen
